

The benefits of partnering with Bold: Your partner in innovation

ABOUT BOLD COMMERCE

Established in 2012, Bold brings nearly a decade of experience working with some of the largest Shopify Plus brands to solve for complex checkout and subscriptions needs. With our expansion into BigCommerce, WooCommerce, commercetools and other popular platforms, we are your partner for providing API-first checkout, pricing and promotions, or subscriptions solutions to scaling enterprise brands.

We have a growing list of leading enterprise B2C and B2B clients, but couldn't have gotten where we are without our partner-first approach. We're dedicated to powering next-level commerce experiences built by our partners — your success is our success. Our roster of tech partnerships span payments, tax, fraud, shipping and more, with pre-built integrations to shorten development cycles.

Partnering with Bold allows you to leverage:

95K+ brands

\$3B+ in GMV processed (TTM)

B2C + B2B

Access to solution and support engineers

50+ enterprise tech partners

Platform agnostic and API-first

PCI DSS Level 1, SOC2 Type I

JOIN THE BOLD PARTNER PROGRAM

The Bold Partner Program demonstrates Bold's continued partner-first commitment, providing a multi-tiered approach with a broad range of benefits for partners. This program accelerates our partners' ability to build commerce experiences together for leading brands and game-changers within the evolving commerce landscape.

From superior solutions and technical expertise, to aggressive commissions, revenue share programs, and partner-first loyalty, agencies and tech partners know when they partner with Bold, they partner for results.
